Volume 10, Issue 1

It is with great sadness that we announce the passing of our dear friend and former Board President David Alan Filomeo. After a successful 35-year career with Lockheed Martin Dave and his lovely wife Paige moved to Medford in 2013 to be near their children and grandchildren. Not long after moving in to their new home Dave was introduced to the Southern Oregon Humane Society by their neighbors and longtime SoHumane supporters Dr. Ed and Bobbi Helman.

David Alan Filomeo

Dave was a true animal lover who joined the SoHumane Board in 2013 and served as Board President from 2014-2020. Dave invested his time, his expertise, and, most importantly, his heart, to further our mission. I was honored to work with him. I can confidently say I am a better leader and SoHumane is a better organization

because of Dave's dedication and incredible leadership. Words do not adequately express the immense sorrow and pain of losing him. Dave will be missed, but he will never be forgotten. Although we face new challenges each year, together we are creating a brighter future for the animals.

Please join me in honoring Dave's memory by continuing to support the meaningful, lifesaving work he so passionately believed in. We are grateful for your love and devotion to the animals at the Southern Oregon Humane Society.

Life Saving Mission

For seventeen years the Saving Train has traveled throughout the Pacific Northwest on a mission to rescue dogs and cats facing life-threatening limitations of time, space or veterinary needs. During that time **Southern Oregon Subaru** has been an exceptional Saving Train partner, Share the Love adoption host and A Toast for Tails sponsor.

When the Saving Train arrives, animals who have run out of time are offered a second chance at life. It takes time and money to support these displaced pets, but SoHumane believes that saving a life is priceless. **The Saving Train is funded by generous people like you!** Your gifts provide nutritious food, clean shelter and exceptional veterinary care. The Saving Train represents a promise and a testament to SoHumane's dedication to saving lives. **Thank you for joining us** in our mission to fill our kennels with dogs and cats, young and old, so that they will have the opportunity to find new homes and families.

I recently adopted a dog named "Jack" from your Subaru adoption event and I just wanted to share that he's been an excellent addition to the family and is such a sweetheart with all ages! Thank you guys for finding homes for all these furry friends!

A Toast for Tails

May 21, 2022

A Toast for Tails is a celebration of our wonderful animal friends, those whose lives touch our hearts. As a nonprofit, **the Southern Oregon Humane Society depends on the generous support of people like you** to maintain and grow our services and community programs for the benefit of displaced dogs and cats and our pet loving community.

Help us create a brighter future for those animals who are homeless by being part of SoHumane's 14th annual fundraising event. Donations for the dogs and cats can be made online, over the phone, by mail, and in person at the SoHumane Adoption Center, 2910 Table Rock Road, Medford, Oregon. Experience the heartwarming satisfaction that comes from saving the life of a dog or cat. **Thank you for believing in the work that we do and for your love and devotion to the animals in our care.**

Are you ready for puppy love?

Jennifer Wicklund, Doctor of Veterinary Medicine

The Southern Oregon Humane Society has been inundated with puppies so far in 2022! Since the first of the year, SoHumane staff have found homes for more puppies than during all of the first six months of 2021. This may be a record breaking year for puppy adoptions.

Jennifer Wicklund, DVM

Puppies arrive at SoHumane anywhere from a few days to several months old. Pups may be surrendered with or without their mom. If tiny newborn pups are surrendered to SoHumane, skilled puppy fosters care for them in homes until they are eight weeks old, at which time they are old enough to be available for adoption.

Everyone loves puppies - there is nothing like raising your next furry family member from a tender young age. But raising a puppy takes time, patience and energy. Here are some tips that will make the process smoother and more successful:

Before adopting a puppy, be sure to have a solid relationship with a veterinarian. Veterinarians have struggled with overwhelming demand for their services the last several years, and since puppies need regular visits to a vet as they grow, ensure you have someone that can support you with your pup's medical needs.

Talk to your veterinarian about parasite prevention for both internal parasites, such as gastrointestinal worms, and external parasites, such as fleas and ticks. Vaccinations are a key component to raising a healthy puppy. The typical "puppy vaccine" is a combination vaccine which includes the following: distemper virus, adenovirus, parainfluenza and parvovirus. Puppies need to start this vaccine when they are six to eight weeks old and then receive boosters of this vaccine every three to four weeks until they are sixteen to twenty weeks of age. Your

veterinarian will also be able to recommend the appropriate time to spay or neuter your puppy if he or she has not already been fixed, discuss key training protocols with you, make dietary recommendations, and advise what to watch for that might indicate early signs of illness in your puppy. A puppy adopted from SoHumane has received initial vaccinations and parasite preventatives appropriate to its age. And your new puppy will have been spayed or neutered prior to going home.

Socialization is important for a puppy but remember that until your puppy has completed its vaccination series you must ensure that it is socializing only with safe companions in safe places. Incompletely vaccinated puppies should not frequent high-volume dog areas, such as parks, dog parks, or doggie day care. Try to only socialize your puppy with healthy dogs of family and friends in areas that are free of unknown dogs and the potential for widespread disease.

Puppies need a special space to call their own in the home. Crates work well for this and crate training a puppy serves multiple purposes: it helps facilitate house training, provides a quiet location for your pup to retreat to if things become overwhelming, allows for a safe space to house your puppy if it must be left alone, and gives your pup a secure, restricted environment during travel or transport.

There are many more things to consider when adopting a puppy, but these tips should help get you and your puppy off to a good start in your journey together!

Foster with SoHumane!

SoHumane shelters more than 1,500 dogs and cats each year and many receive care in volunteer foster homes. Foster volunteers provide a temporary home for dogs and cats that need veterinary treatment, a break from the shelter environment to de-stress, and care for puppies and kittens that are not old enough to be made available for adoption. Foster volunteers provide a clean, safe, loving environment for these pets and help to prepare them for adoption.

Kitten fostering makes up the bulk of SoHumane's fostering needs. Kitten season, generally ranging from March to October, brings hundreds of kittens. Many of these kittens are under eight weeks of age and require placement in foster homes. Some litters of kittens are only days old when they arrive. **Foster families that nurture kittens allow SoHumane to save hundreds of kittens every year!**

Foster volunteers provide a home environment for some adult dogs and cats receiving specialized veterinary care or for those who are healing after surgeries.

If you have questions about our Foster Program, please contact Miranda Ahrens, Community Support Coordinator, at 541-779-3215 x 104. For more information visit www.sohumane.org/foster or stop by the Adoption Center, 2910 Table Rock Road, Medford, Oregon.

Your legacy for them

Planned giving is a wonderful way to support the pets who are homeless at the Southern Oregon Humane Society. A planned gift to SoHumane is a meaningful way to carry forward your compassion and concern for the animals.

Your legacy gift should do exactly what you intend it to do. I would be glad to discuss any planned giving option with you — in confidence and without obligation. A legacy gift of any size will provide stable, long-term funding that will continue your commitment to helping animals long into the future. Please feel free to contact me by phone at 541-779-3215 x 100 or karen@sohumane.org. Your gift will change lives.

– Karen Evans, Executive Director

Thank you for being a friend!

We are grateful to all of the animal lovers who joined the **#BettyWhiteChallenge** and raised over \$11,000! With your gift you are helping to care for displaced dogs and cats and creating positive adoption outcomes.

Your gift to SoHumane is a meaningful way to honor or remember cherished pets, friends and family, or to celebrate a significant occasion, milestone, or lifelong achievement. It is also a way to honor the love of animals through a tribute gift in their name. If you would like to see a loved one represented here, please send your contributions to: **SoHumane, 2910 Table Rock Road, Medford, OR 97501, or give online at sohumane.org.** Be sure to include the name of the person or animal being honored or memorialized, as well as an address so that we can send a personalized card acknowledging your very special gift.
