Volume 11, Issue 1

Spring has officially sprung and that means kitten season at SoHumane! Our first litters of newborn kittens have arrived. In 2022 we were able to save the lives of 469 kittens and adopt them into loving homes. We are grateful for all of the wonderful foster families that help make this possible.

This year marks our 95th birthday, and we are celebrating! Plans are underway for our biggest fundraiser of the year, A Toast for Tails. Mark your calendar for our open house, upcoming adoption events and fun activities. Sign up for our E-news to stay up-to-date. We are reaching out to the people in our community who are unaware of the many services SoHumane provides and reconnecting with supporters, volunteers and adopters who have been with us on our life-saving journey. With your help, we will continue to **champion the dogs and cats who are homeless** and depend on us.

This year we aspire to save more lives, perform more spay/neuter surgeries, help more pets with special medical needs and provide humane education and volunteer opportunities for the youth in our community. We look forward to sharing more happily-ever-afters with you. We hope these stories inspire you to continue to support our mission and fill your heart with happiness knowing that you make this lifesaving work possible! We are truly grateful for the opportunity to help make the world a better place for the animals.

Thank you, as always, for being part of our SoHumane family.

You are Invited to  
**SoHumane's Birthday Party!**  
Saturday, April 22 | Noon to 4 pm

**Southern Oregon Humane Society**  
2910 Table Rock Road, Medford, Oregon

In 1928 the Southern Oregon Humane Society was established at our current location on Table Rock Road in Medford by a dedicated group of concerned citizens. Our founders renovated “an old farmhouse out in the country” into adoption facilities which initially provided services for displaced dogs and horses.

From modest beginnings and thanks to the support of caring individuals and community members, SoHumane has become an outstanding women-led animal welfare organization serving the people of Southern Oregon. We are honored to facilitate life-long matches between dogs, cats and adopters.

Do you have photos or stories to share about SoHumane's history? Visit with us at the Adoption Center, 2910 Table Rock Road, Medford, Oregon. Email [adoptions@sohumane.org](mailto:adoptions@sohumane.org) or post to our Facebook page.

**Join us in celebrating 95 lifesaving years!**

# Happy Adoptions

"We love this silly pup! Izzy is happy, healthy and goes on tons of walks and hikes. She averages 4 miles a day with us! Thanks for allowing us to adopt sweet Izzy girl." – *Marlena & Colin*

"Here's Chloe and Professor PigWig (Boots) on their first hike in the Jacksonville forest."

"Gigi is VERY affectionate! She follows me around my apartment and is always waiting for me by the window when I come home. I wake up to her every morning curled up by my head. I think one of her favorite places to sit is on her cat tree by the front window where she can watch birds and deer go by. She is so sweet, and we are very happy together!" – *Liz*

"Beans (Zena the cat) is doing well and knows how to get what he wants." – *Rebecca & Josh*

"Dodger (Blake) is being spoiled rotten and is super happy in his new home. He is not a fan of the cold and wet sand at the coast but is a good traveler. We love him so much." – *Ray & Traci*

# A Saving Train Mission

For eighteen years SoHumane's Saving Train has traveled throughout the Pacific Northwest on a mission to rescue dogs and cats facing life-threatening limitations of time, space or treatable veterinary conditions. During that time Southern Oregon Subaru has been an exceptional Saving Train partner, Share the Love adoption event host and A Toast for Tails sponsor.

The Saving Train represents a promise and a testament to SoHumane's dedication to saving lives. Thank you for joining us in our mission to fill our kennels with dogs and cats, young and old, so that they will have the opportunity to find new homes and families.

## Lend a Hand - Volunteer!

SoHumane finds homes for more than 1,200 dogs and cats each year. Dog walkers and the cat crew supply enrichment opportunities and exercise animals every day. Adoption and event volunteers are the support team for monthly and annual activities. Student volunteers participate in the PALS Program, Pet Partners and the Reading Program. In addition, volunteers help with maintaining the campus grounds and work on special projects.

# Let's Play

Jennifer Wicklund, Doctor of Veterinary Medicine

Everyone enjoys playing with their pet. It's fun, relaxing and often the source of a good laugh. But beyond these characteristics, play is absolutely essential to the mental and physical well-being of our beloved dogs and cats. Let's consider some of the advantages of play.

Jennifer Wicklund, DVM

## Structured play

Structured play is routine, interactive, organized play between you and your pet. Since pets thrive on routine, structured play reduces boredom, thus helping to curb behavioral issues and anxiety. Pets may have a favorite type of structured play – chasing a ball, playing tug, following a teaser wand or attacking a feather toy. If your pet is not interested in one form of play, try different options. A dog may not like fetch, but they may love running after a flying disc.

Another benefit of structured play is that you become integral to the fun. This increases the bond between you and your pet, and in the end your pet enjoys more time with you. It may also ease training, as your pet will have built a solid, trusting bond with you.

## Play through exercise

Just like people, all pets need exercise to remain healthy. Exercising a pet can be either active (running or hiking) or more passive (visiting a dog park or doggie friends). Most exercise for dogs will occur outdoors. Allowing your pet the opportunity to interact with new people and pets in unfamiliar situations builds confidence and can help your pet overcome fear, which is a major cause of behavior problems.

## Mental enrichment

Almost all play will provide mental enrichment to your pet, but some toys and games specifically work your pet's brain. You may have heard of dogs that use buttons to talk or communicate. Not everyone has the right pet for that, but there are

many options available to stretch your pet's brain. Food puzzle toys or lick mats are a great way to provide mental stimulation for dogs or cats. Cats may enjoy "hunting" for food hidden in multiple locations around the house. These toys and games help re-ignite your pet's natural hunting instinct.

At SoHumane, we use all of these play scenarios daily to provide enrichment for the dogs and cats in our care. Volunteers and staff engage in structured, interactive play with the cats and kittens in their rooms, while our beautiful play yards and walking path are utilized by the dogs. Dogs are walked each day and may participate in play groups with other dogs. The agility yard is a

favorite for some active dogs. Mental enrichment also comes in the form of Busy Buckets which are chock full of different play, chew and tug toys. Cat TV plays in Catville for the enjoyment of feline viewers. Student volunteers read to both dogs and cats during quiet times.

At SoHumane we strive to have dogs and cats that are physically and mentally fulfilled through play, exercise and mental stimulation while they are in our care. This makes them better potential adoptees, less anxious and fearful, and more well-rounded pets. Take time to look at how play is enriching your pet's life and the bond you share with them. It's easy, fun and good for them and you.

# A Toast for Tails

## May 20, 2023

### Celebrating 95 Years

A Toast for Tails is a celebration of our wonderful animal friends, those whose lives touch our hearts. As a nonprofit, **the Southern Oregon Humane Society depends on the generous support of people like you** to maintain and grow our services and community programs for the benefit of displaced dogs and cats and our pet loving community.

Help us create a brighter future for those animals who are homeless by being part of SoHumane's 15th annual fundraising event. By supporting SoHumane with your gifts, you support our efforts to provide a loving, safe place for each dog or cat prior to adoption. Donations for the dogs and cats can be made by phone 541-779-3215, online at [sohumane.org/donate](https://sohumane.org/donate), by mail, and in person at the SoHumane Adoption Center, 2910 Table Rock Road, Medford, Oregon. Experience the heartwarming satisfaction that comes from saving the life of a dog or cat. **Thank you for believing in the work that we do and for your love and devotion to the animals in our care.** For more information, please visit [sohumane.org/a-toast-for-tails](https://sohumane.org/a-toast-for-tails).

# Foster with SoHumane!

**K**itten fostering makes up the bulk of SoHumane's fostering needs. Kitten season brings hundreds of kittens. Many of these kittens are under eight weeks of age and require placement in foster homes. Foster families that nurture kittens allow SoHumane to save hundreds of kittens every year!

Foster volunteers provide a home environment for puppies, dogs and cats receiving specialized veterinary care, and those pets who are healing after surgeries.

Interested in fostering? Contact Miranda Ahrens, Community Support Coordinator, at 541-779-3215 x 104. Visit [sohumane.org/foster](https://sohumane.org/foster) or stop by the Adoption Center, 2910 Table Rock Road, Medford, Oregon for more information.

**G**ifts for the special veterinary needs of dogs and cats provide the means to improve their health, quality of life and adoptability.

When Connor the puppy arrived at SoHumane his body was covered with multiple lesions. He was housed in an isolation area to prevent the spread of a contagious disease. After two months of treatments, Connor had blossomed into a healthy, happy young dog ready for a family and home.

Obie the kitten was diagnosed with ringworm. He also had an untreated leg injury that required amputation. His foster parents knew it would be a challenging journey to nurse Obie back to health, but they were determined to give him the very best. Obie received the support and specialized care he needed to grow, regain his confidence and adjust to life as a three-legged kitten prior to adoption.

**We want to give a special thank you to TOYOTA® for sponsoring an upgrade to SoHumane's veterinary care isolation area.** Staff can now care for dogs and cats who have highly contagious diseases or need to be housed in an isolation area at our facility while being treated.

# Your legacy for them

Planned giving is a wonderful way to support the pets who are homeless at the Southern Oregon Humane Society. A planned gift to SoHumane is a meaningful way to carry forward your compassion and concern for the animals.

I would be glad to discuss any planned giving option with you — in confidence and without obligation. A legacy gift will provide stable, long-term funding that will continue your commitment to helping animals long into the future.

Please feel free to contact me by phone at 541-779-3215 x 110 or send an email to karen@sohumane.org. Making a planned gift can change lives and be one of life's most gratifying experiences.

## Saving Lives Since 1928

Hi everyone, it's Cricket, settling into my new country home. Gosh, I really scored on this one – my big brother Sparky and big sister Danoota are both SoHumane alumni! They've been busy showing me what's what around here. Thanks SoHumane, for taking care of me until my new parents showed up!

### **Mission Statement**

To improve the lives of pets and people through sustainable programs of education, adoptions and spay/neutering.
