Volume 14, Issue 1

2026 is off to an exciting start at SoHumane! Can you believe we are celebrating our 98th year in our original location on Table Rock Road in Medford, Oregon? This is going to be a very exciting year for our organization. We have so much to share with you about what is to come.

We are delighted to announce that we have added a second veterinarian to our team! Dr. Jaime Inglis, who has been volunteering and doing dental work at SoHumane twice a month, joined the vet care team full-time in February. Having another veterinarian will enable us to provide even more critical medical care for dogs and cats in our community.

SoHumane has an exciting new dog walk fundraiser planned! Miles for Mutts in honor of Jed and Celia Meese will be held June 13 at Wooldridge Creek Vineyard and Winery. Every step helps a homeless dog. This is a dog friendly one-of-a-kind event you won't want to miss!

Additionally, we have moved A Toast for Tails from May to October! Our biggest fundraising event will be held October 10th at the Rogue Valley Country Club. Sponsorship opportunities are available now. We hope to see you there for all of the fun and festivities!

The year has already brought a dramatic increase in the number of pets needing our help — both in our community and beyond. Thanks to your support, we are able to provide a safe haven for them. Despite facing many challenges, our dedicated staff and volunteers continue to ensure the dogs and cats on our campus receive the exercise, love, and care they deserve. Every day we are honored to be doing the critical lifesaving work that was started so many years ago.

We love hearing from you! Please contact me if you would like more information about our programs or how you can make a brighter future for the cats and dogs a reality.

All my best,

Karen Evans, Executive Director

# Adopting at SoHumane

Bringing a pet into your home can be very rewarding. To help you find an ideal animal companion, we need to get to know you: your living situation, your pet-owning experience and your expectation of an animal – large or small, frolicsome or contemplative, independent or soul-mate. This information will help us help you to find the purr-fect pet!

SoHumane has been placing homeless dogs and cats with loving families since 1928. Our goal is to find the right home for every animal and the right animal for every home. A life-long commitment to a living creature is a serious responsibility. Few things in life are as rewarding as animal companionship. Your new pet comes to you ready to begin a new life in a loving and caring home.

The whole family should be involved in the decision-making process, and it may require several visits to find the right pet.

By adopting a pet from the Southern Oregon Humane Society, you not only give a second and sometimes a third chance at life to a wonderful companion dog or cat, but also get many years of unconditional love in return!

Visit the SoHumane Adoption Center in Medford, Oregon and meet the cats and dogs. Your best furry friend is waiting for you.

Taka is now Whiskey – although it doesn't matter too much as this little guy is deaf! Nonetheless all of us have adjusted, and he is the best little buddy we could've asked for. He is very intelligent and responds great to hand signals. He loves the water, loves his paddleboard, loves hiking, and absolutely adores car rides! We expect to introduce a little brother in the near future. We are all very excited.

Chloe aka Mandarin, has trained us to feed her in the morning and evening, and bed time snackies at the foot of the bed. She supervises garage activity with my husband and lends a creative paw with my quilting. She charges a tabby tax for ear scratches plus chin and belly rubs. She follows us and the dog outside but not off the property. She loves open door time.

Ellie is well-loved and living her best life.

Mariner is doing so well! He is tied to the hip with my daughter and I. He follows us everywhere. He actually likes dressing up in costumes and wearing adorable little hats. He obeys commands like a puppy, and he has a backpack for adventures. He has a tent and is getting leash trained. He loves to do Zoomies. Mariner lets everybody hold him, and he just snuggles up. He is by far the best kitty we've ever had.

# Expanding Veterinary Care Services at SoHumane

Jennifer Wicklund, Doctor of Veterinary Medicine

As SoHumane's veterinarian for thirteen years, I have seen many changes and advancements in the fields of veterinary medicine and animal welfare. Yet as an organization we continue to see mature dogs and cats that have not been sterilized or even appropriately vaccinated. The need for basic vaccinations, parasite preventatives and spay and neuter surgeries remains as high as it has ever been during my time at SoHumane. In addition, the number of dogs and cats with significant special medical needs has increased each year.

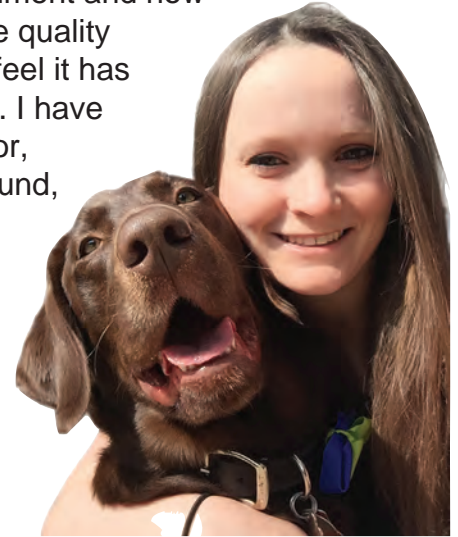

Jennifer Wicklund, DVM

I am happy to announce that SoHumane now has a second veterinarian! Please join with me in welcoming Dr. Jamie Inglis to the Veterinary Care team at the Southern Oregon Humane Society.

Dr. Inglis is a native Oregonian, born and raised in the Rogue Valley. She obtained her Doctor of Veterinary Medicine degree from Washington State University in 2017 and then began practice in Southern Oregon as a companion animal veterinarian. She excels at preventative medicine, advanced medical cases and general surgery with a special interest in dentistry.

"I am truly excited to be given this opportunity and to be a part of the SoHumane team. Growing up in the valley, I spent many hours volunteering at SoHumane. I first started in the kennels and helped with enrichment and now am able to provide quality veterinary care. I feel it has all come full circle. I have an amazing mentor, Dr. Jennifer Wicklund, and I am proud of the work we are doing here. I am fortunate to give back to our community while still being able to advocate for the welfare of our companion animals." – Jamie Inglis, DVM

Jamie Inglis, DVM, and Max

SoHumane will now have a veterinarian on site more days of the week for needed veterinary procedures and have more capacity to process difficult medical cases, and expand of our dental care including dental x-rays, extractions, fistula repairs, and full-mouth scaling/polishing.

As the number of cats and dogs in SoHumane's care continues to grow, we are glad that Dr. Inglis is partnering with us!

## Untreated dental disease can be devastating, even life-threatening for a dog or cat.

During seven-year-old Casanova's veterinary exam it was discovered that he suffered from dental disease with fractured and missing teeth. As part of his care at SoHumane he received a full dental exam with extractions, dental x-rays, scaling and polishing.

Thanks to the generosity of compassionate SoHumane supporters, Casanova is in good health and enjoying life with his new family. **Your gift is a happy investment in a better future for an unfortunate dog or cat.**

Join us in helping homeless dogs in our community! SoHumane's Miles for Mutts brings animal lovers together for a scenic walk through a breathtaking vineyard, followed by a festive after party at Wooldridge Creek Winery and Creamery featuring entertainment, food and drinks — all while raising funds for dogs who need your help.

Jed and Celia Meese were steadfast champions of SoHumane's lifesaving mission for many years. Through heartfelt conversations and unwavering generosity, they helped shape the spirit of compassion that defines the Southern Oregon Humane Society today.

Miles for Mutts 2026 on Saturday, June 13th, is a dog friendly event! We invite you and your dog to walk with us to support the animals. Every leash in hand and every paw on the path represents a happy adoption, a second chance and a life saved.

# LETTERS

## WE LOVE HEARING FROM OUR ALUMNI!

Please send us your letters and pictures: SoHumane, 2910 Table Rock Rd., Medford, OR 97501 email: [adoptions@sohumane.org](mailto:adoptions@sohumane.org).

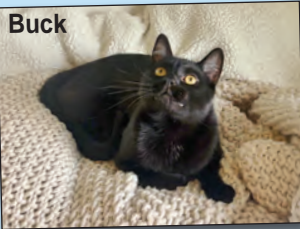

You can also post them on our Facebook page!

We renamed Macaroni Clover. She's a sweet, silly girl who likes to cuddle, lounge on her heatpad, watch the birds and go on (supervised) adventures in our backyard. She's a wonderful addition to our household and brings us many laughs.

Clover

Buck

Buck the kitten is amazing! He has fully adapted to our home and lifestyle, and has truly become the best companion for me.

Buster & Betty

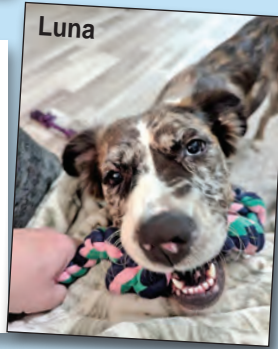

Buster & Betty are SoHumane Saving Train dogs. Love them to bits.

Falkor

Roy, now Falkor, is doing great. Few more things he still needs to learn but he is adapting well, fitting in with everyone and is a giant bed hog.

Luna

Macey is now Luna. She loves her toys, sleeps through the night like a champ, and has completely stolen all of our hearts. Thank you for bringing this little lunatic into our lives — we couldn't imagine our family without her.

Smokey

Smokey has been doing really good. He adjusted quick. We love him and are glad we had the opportunity to adopt him.

Ezra

My Ezra - He is a source of constant joy and love!

Mittens & Pepper

Mittens quickly grew out of looking like a kitten. Now she and Pepper (formerly Pramila) enjoy their kitty condo, exploring, climbing, snoozing and eating. They both are healthy and happy.

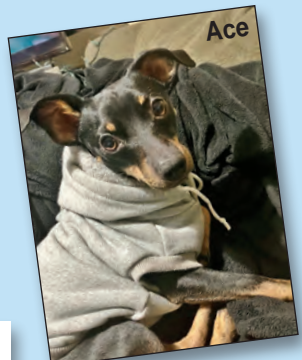

Jasmine

My sweet girl Jasmine... Jazzy for short. You knew her as Hayden. She's constantly spoiled with lots of toys and treats! I love her so much!

Thank you SoHumane for helping find this "good boy" nine years ago.

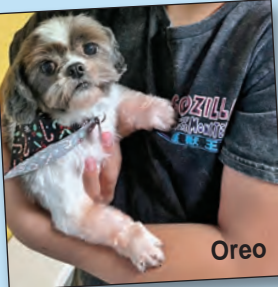

Good Boy

Ace

Jolly is now Ace.

Oreo

Oreo is doing well.

Jerry

Jerry has been the best boy wherever we go. He loves coming to work with me where he has his dog buddies and doting customers. Thank you for everything you all do!

Benson

Tigger/Benson is doing amazing! He is such a cuddler. He has such a big personality we love him so much! He has adapted well to the family and plays well with our dog. We are so happy we decided to adopt him!

Barney

Otto's new name is Barney, and he responds well to it. He has brought Joy and Laughter into our lives! Thank you for the opportunity to adopt this bundle of Joy!

Phoebe

Phoebe is doing great. She's the best little dog ever.

Tinsel is doing great! He's so cuddly and happy.

Tinsel

Henri

We adopted Alphonse in December at the Subaru event. His name is now Henri, and he's such an amazing dog. We love him dearly.

Jet

Jet has a large fenced play area. She loves to run.

Ivy has settled right in with everyone. Just days after we adopted her we unexpectedly lost our other senior dog so her spirit has been so needed in our home. She and her brother Goose spend their days wrestling, chasing each other and taking naps. We love her so much!

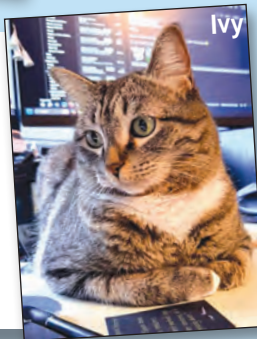

Ivy

Leo

We changed Paul's name to Leo.

Ivy formerly Amy is the baby of the house and very energetic and ornery. One of her favorite things is playing hide and seek with the humans.

Ivy

Penny (Crumpet) is very happy and loving. She likes everyone and all the dogs she has met. She's an incredibly fast runner. She does well on leash and has adapted to the routines of our home.

Penny

Sammie is now Riley. He is a joy! A little rambunctious at times, but very good at listening and stopping bad behavior. I am so happy to have him in my life.

Riley

Jenny is amazing and a very big important part of our family. She's very loving (craves attention), responds well to verbal and nonverbal commands, very playful (even a little goofy), she shows her teeth and smiles (sometimes on command), goes on walks daily, very active, and gets along well with most other dogs. Thank you for placing Jenny in our lives.

Jenny

Becca is so sweet and has such a good personality her big brothers just love her as well.

Becca

# Volunteer and Save Lives!

SoHumane finds homes for more than 1,200 dogs and cats each year. Volunteers help make providing exceptional care possible for these pets. Dog walkers and the cat crew supply enrichment opportunities and exercise animals every day.

Foster volunteers provide a temporary home environment for kittens, puppies, dogs and cats that need veterinary treatment, a shelter break, time to grow before adoption, are receiving specialized veterinary care, or who are healing after surgeries.

Adoption and event volunteers are the support team for monthly and annual activities. Student volunteers participate in Pet Partners, the PALS Program and the Reading Program. Volunteers help with maintaining the campus grounds and work on special projects.

**Interested in volunteering?** Go to [sohumane.org/volunteer](https://sohumane.org/volunteer) to learn more or visit the SoHumane Adoption Center and speak with staff. **Sign up to be a SoHumane Volunteer!**

# Your legacy for them

Planned giving is a wonderful way to support the pets who are homeless at the Southern Oregon Humane Society. A planned gift to SoHumane is a meaningful way to carry forward your compassion and concern for the animals.

I would be glad to discuss any planned giving option with you — in confidence and without obligation. A legacy gift will provide stable funding that will continue your commitment to helping animals long into the future.

Please feel free to contact me by phone or by email. Making a planned gift can change lives and be one of life's most gratifying experiences.

## SoHumane's Tucker is training as a search dog

Update from the Search Dog Foundation: Tucker sailed through drive work, and after working on his alert on barrels, he has now started searching three barrels, which is very impressive considering he is relatively new to the training program. He really loves this work, and we are thrilled to have him.

## Saving Lives Since 1928

Chad, now called Toby, is doing great! He loves zooming around the house and playing fetch with his toys. He's a bit of a picky eater but he is the best cuddler!

### **Mission Statement**

To improve the lives of pets and people through sustainable programs of education, adoptions and spay/neutering.
