

I am happiest when I am right beside you.

A year ago Pixi's future was uncertain. A young friendly dog, she was in a small shelter where her options were limited. A ride on the Saving Train to SoHumane improved her circumstances. She received vaccinations, was spayed and subsequently adopted. And then she was returned. Pixi had wounds on her chest, a leg and her head. Her ears were infected. Over several long months, the SoHumane veterinary team, staff and volunteers worked tirelessly to care for her. Pixi never lost her loving, gentle spirit. And then she found the person she was meant to be with. Now known as Luna, she enjoys the comforts of a home and taking long rides "with the top down on the VW."

"It has been such a pleasure having Luna in my life. She accompanies me to work every day and has become a great shop dog. She loves greeting all the staff every morning. Luna has also changed several people's perceptions of her breed with her sweetness and lovable personality. **Thank you Southern Oregon Humane Society, for bringing us together.**" – Jason

SoHumane adopters often share happy ending stories that touch our hearts. These second chances bring joy to so many lives in our community. **Your donations create new families and bring pets and people together.** We are so thankful to do the work made possible by your generosity.

🌸 All you need is love. 🌸

Joy has a magical story of "transformation." She traveled on the Saving Train and took part in the Share the Love adoption weekend sponsored by Southern Oregon Subaru.

Because of your generosity, Joy is celebrating her journey from a lost, lonely pup to a beloved family member with a wagging tail, kitty sidekick, and best of all, her own family and a country home!

Your gift could be doubled!

Anonymous donors are ready to match all gifts received, dollar for dollar, up to \$10,000 – now through March 31st. They give in support of senior pets and those with special veterinary needs. Please take up their challenge and donate today in honor of a loved one, a special pet or a favorite SoHumane program. **Your generosity will provide vital care and ensure lifesaving second chances for pets who are homeless.**

To me you are perfect.

As we start a new year, we wanted to share this heartwarming story about a loving dog named Dottie. A senior dog whose guardian was no longer able to care for her, Dottie's desperate need for a new home was heard by a SoHumane volunteer. This wonderful woman chose to open her heart and home and provide foster care for Dottie while her transfer to SoHumane was facilitated.

"I stayed in a foster home, where I got lots of lap time and slept in a big bed curled up next to a warm person. **Then my dearest dream came true: I found my forever home!**" Now every precious day is filled with kindness, love and new adventures for Dottie.

Senior dogs have value. They enrich our lives. They love unconditionally. And they're counting on us for their second chance at the best gift of all - a home to call their own. **Will you help even more senior dogs find their way home?**

♡ I know what love is because of you. ♡

Eight kittens were being given away in a parking lot when a concerned SoHumane supporter contacted us. Their stories all have happily-ever-after endings. You help us feed tiny kittens! **Because of your generous gifts, young puppies and kittens receive nutritious food and necessary veterinary assistance.** They have the very best start to life.

Since 1928, the Southern Oregon Humane Society has worked tirelessly to find homes for displaced animals. We are a leader in the areas of rescue, adoption, and humane education, but we need you by our side. Your tax-deductible donation will make a life-changing difference. You can help provide shelter, food and love, and you can give so many animals a second chance. **Thank you for making SoHumane and the animals we serve a part of your life.**

*We look forward to sharing more happy stories of pets
and their people this year.*

Karen and the staff at SoHumane.
