A Toast for Tails

2021 Online

Saving Lives Since 1928

Dear SoHumane Family and Friends:

Thank you for being a HERO!

- A hero to our community by making our safety a priority.
- A hero for saving and loving the four-legged guests in our care without hesitation.
- A hero by supporting our organization during these unpredictable times.

If you are like me, regardless of what we are facing in the world, I can always count on the wagging of a tail or purring of a cat to bring a smile to my face. This selfless love we receive has become even more important in helping so many get through this pandemic.

While Toast for Tails may look a little different than in years past, our amazing team has worked hard to make this a premier event. We have wonderful auction items and a series of events to allow all of you to have some fun, while supporting SoHumane and staying safe. So, grab your favorite drink of choice, your computer, tablet or phone, settle into a comfortable spot and start bidding. Good luck and thanks again for all you do.

Wishing you and your loved ones continued good health!

Sincerely, Steve Sobhi, SoHumane Board President

Toast for Tails is always a special celebration of our life saving work at the Southern Oregon Humane Society. So much has changed in the last year, but one thing remains the same. Our incredible supporters like you come together for the animals. Your generosity year after year is both humbling and heartwarming.

Everyone in our SoHumane family plays a part in giving homeless pets a second chance. I am thankful for our volunteers, foster parents, board members, donors and staff members that care so deeply for the dogs and cats.

We have many exciting items for you to bid on this year! Thanks to the generosity of our Toast for Tails sponsors, all of the funds raised during Toast for Tails 2021 Online will go directly to care for the animals.

Our work is made possible by you and for that we are truly grateful. Thank you for participating in the online auction and for celebrating all we together have accomplished for the animals. Cheers to 93 years!

With gratitude,

Karen Evans, Executive Director

Thanks to the generosity of our sponsors and supporters, the Southern Oregon Humane Society has been able to provide 93 years of lifesaving efforts to our community. SoHumane cares for dogs and cats who are homeless while working to make a difference in the pet overpopulation problem. Annually, SoHumane serves approximately 1,600 companion animals. In 2020, we successfully adopted out 1,085 dogs and cats, and saved 457 animals from euthanasia at other shelters.

Presenting Sponsor: Little Caesars Pizza

The Saving Train

This year SoHumane is celebrating sixteen years of saving lives with the Saving Train. Over 10,000 cats and dogs have been rescued from overcrowded public shelters. As our Saving Train sponsor, **Southern Oregon Subaru** helps raise the funds needed to identify adoptable animals facing euthanasia and transport them to SoHumane where they will never again face the life-threatening limitations of time or space. In addition, Southern Oregon Subaru hosts a December adoption event and rescue run. The 10th annual Subaru Share the Love Adoption Event will be held on December 11th this year.

Special Veterinary Needs

A torn ligament, a dislocated elbow, cracked molars, or a broken leg – each of these treatable ailments can be fatal for cats and dogs surrendered to public shelters. Because sponsors generously provide for the additional veterinary needs of homeless pets, SoHumane can welcome animals who need extra veterinary care before finding a forever home. We are able to address treatable medical conditions and remove these barriers to adoption. SoHumane can say “yes” to more dogs and cats with special veterinary needs

Senior Pets

Senior pets are very dear to the hearts of SoHumane supporters. When older pets find themselves in public shelters, the outcome is seldom good. Overlooked by those wanting young, playful dogs and cats, the clock runs out for them quickly. SoHumane is committed to helping these senior pets – many of whom have lost the only home they have ever known – begin the next chapter of their lives. Age should not be a barrier to adoption. Older dogs and cats have so much to offer. Support for senior pets ensures they have time to find their forever home.

Those Left Behind

For 93 years, SoHumane has been a safe haven for pets who have lost their homes because of an illness in their family, a change in living or economic conditions or the death of their human caretaker. People turn to SoHumane, grateful that SoHumane is a no-kill shelter, and that we offer all the time needed to place pets in loving homes. We open our doors to people who only want the best for their beloved pets, even if they can't be the ones to provide it.

All The Time They Need

Many of the dogs and cats who come to SoHumane are adopted quickly, some in just a few days. And then there are those who may need time – weeks or more – to find the people and home meant for them. Twenty-five years ago, SoHumane became Oregon's first no-kill shelter. We make a commitment that each animal never runs out of time. Shy cats get more space and shelter dens until they adjust to their new, temporary home. Dogs stressed in the shelter environment spend time with staff and volunteers learning how to interact with other dogs and people. Busy buckets, playgroups and the agility course provide ways to exercise both mind and body.

SoHumane Foster Program

Young puppies and litters of kittens who need more time to grow are placed in foster homes prior to adoption at SoHumane. These tiny pets often need special supplies and medicine in addition to more attention and lots of love. Donations support the additional veterinary care that they need and that some adult dogs and cats may require.
